

RESOLUTION NO. 2009-138

A RESOLUTION OF THE LODI CITY COUNCIL  
APPROVING PURCHASE ORDER TO REMOVE  
APPROXIMATELY 500 TONS OF BIOSOLIDS FROM  
WHITE SLOUGH WATER POLLUTION CONTROL  
FACILITY STORAGE LAGOON AND FURTHER  
APPROPRIATING FUNDS

=====

WHEREAS, more stringent groundwater requirements no longer allow storage of overflow biosolids in the pond system at the White Slough Water Pollution Control Facility, and overflow biosolids must now be conveyed back to the White Slough Water Pollution Control Facility; and

WHEREAS, it became apparent since implementing this new procedure that without removal of some of the material the overflow would impair treatment plant operation; and

WHEREAS, three contractors were contacted to provide proposals to remove approximately 500 tons of biosolids from the White Slough Water Pollution Control Facility storage lagoon; and

WHEREAS, the only proposal received was from Synagro, of Burlingame, California, to perform the work at the cost of \$215,000.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby approve a purchase order with Synagro, of Burlingame, California, to dry and remove approximately 500 tons of biosolids from the White Slough Water Pollution Control Facility storage lagoon at the cost of \$215,000; and

BE IT FURTHER RESOLVED that funds in the amount of \$215,000 be appropriated from the Wastewater Fund for this project.

Dated: October 21, 2009

=====
